The Triple Crown Proven Process

Hearing your story and understanding your needs is our primary goal We take the time to get to know you better and to showcase how our community can be the solution for you

Meet our team and the residents that make up our thriving community A chance to ensure we have properly heard you and have identified the ways in which our community is the right fit for you Our Director of Nursing will come to you for a review of your specific requirements so we can meet your needs with a personalized care plan

You select your new home, sign the lease, make a deposit, and chose a time to make the transition The day you move into your new home and we get to welcome you and celebrate you as part of our community

30 Days

Getting to know your care team and others who live in the community

45 Days

You will be invited to have a private lunch with your friends and family members to show off your new home

60 Days

Events and activities for you to meet others and invite your family to engage

Ongoing

We partner with you to ensure your needs are met and you are enjoying your new home

The Triple Crown Values

Customer First

We put our residents first

Respectful

We have fun and create a drama-free zone

Open

We seek creative ways to improve

Win

We are accountable for our results

Nurture

We care for those we serve

Responsive & Invested Operating Company:

With our adaptable structure and strong backing, we can move quickly on opportunities, making immediate investments that enhance our communities and bring added value to residents and their families.

Purposeful Programs & Proven Playbook:

Our programming goes beyond the basics. Guided by a playbook that promotes consistently high standards, we deliver enriching experiences across dining, activities, memory care, and more, ensuring every community is vibrant and engaged.

Dedicated & Consistent Care Team:

Our team members are part of our residents' daily lives, building personal connections that allow for individualized care. This stability helps us provide a level of comfort, trust, and attentiveness not found in settings with frequent agency staff turnover.
